

# STEINBOCKLOIPE: BIRKENWIES LOOP [CLASSIC]

MEDIUM

CROSS-COUNTRY SKIING

## TOUR DESCRIPTION

The Birkenwies Loop is a moderate circuit on the Steinbockloipe. This variant of the Birkenwies Loop is groomed exclusively for classic technique. At 1.8 km, it offers classic skiers a slightly shorter alternative to the 2.2 km Birkenwies Loop [classic + skating]. The Steinbockloipe runs from the Bödmen district to Baad and into the Derra Valley. It winds through several loops over the Birkenwies, the Gemstelboden, and through the Wiese area. It stands out as a very snow-reliable trail, is relatively centrally located, and offers an impressive alpine winter landscape with trail sections in the Gemsteltal and Derra Valley.
