

THE GREAT NATURALIST ADVENTURE: INSECTS

EASY THEMED TRAIL

TOUR DESCRIPTION

The great naturalist adventure Insects leads along the Upper Höhenweg trail on the Heuberg. On this naturalist adventure with a focus on insects, the whole family will gain exciting insights into the fascinating world of insects and biodiversity in the Heuberg area.

The themed trail is accompanied by a research book with exciting puzzles about the natural areas in the Kleinwalsertal valley. The research book, including a research kit, is available for €8 at the tourist information office in the Walserhaus in Hirschegg. Along the way, research stations, information pillars discreetly integrated into the landscape, provide useful tips for solving the tasks. The story of the marmot friends Burmi and Burmina and their "insect research expedition" is complemented by an exciting audio play.
