

# TOBOGGAN RUN AT THE JEDERMANNLIFT IN BÖDMEN

EASY TOBOGGANING

## TOUR DESCRIPTION

The toboggan run at the Jedermannlift in Mittelberg, Böldmen is approximately 240 meters long. A drag lift is available to assist with the ascent, but it may only be used with specially designated toboggans provided for this purpose.

During daytime operation, the toboggan run is separated from the ski slope and may include features such as wave tracks and banked curves, depending on snow conditions.

In the evening, after ski operations have ended, the entire ski slope and toboggan run are open to sledders.
