

WANDERFESTIVAL KLEINWALSERTAL - HIKE THE VALLEY: SILBER-STRECKE

HARDHIKING

TOUR DESCRIPTION

The silver route of “Hike the Valley” is approximately 18 kilometers long and has an elevation gain of about 700 meters.

On this route, surrounded by the beautiful nature of the Kleinwalsertal valley, you will experience the great atmosphere of a sporting event thanks to the shared passion of the participants—without any pressure to perform or the stress of racing. All participants can be proud of having completed the physically challenging Silver Route when they cross the finish line and will receive an award.

After starting at the Walserhaus in Hirschegg, the route leads via Rohrweg and Schöntalweg up to the Heubergbahn mountain station and continues along the scenic Oberer Höhenweg. From the Stutzalpe, the nature trail climbs steeply to the Obere Lüchlealpe and from there down to Baad. The route then follows the Breitachweg back to the finish in Hirschegg.
